Product Description

Product Description:

The Coastal Zoological Figurine is ASTM F963 and CPSIA compliant, ensuring that they are safe for children to play and collect. These standards guarantee that the product has undergone rigorous testing to ensure its safety and quality.

Recommended for children aged 3 and up, these Aquatic Creature Statues are perfect for enhancing imaginative play. Kids can use them to create their own underwater world and learn about the different sea animals. Adults can also use them for decoration purposes, adding a touch of the sea to their home or office.

The Sea Animals theme of these figurines includes a variety of marine creatures such as dolphins, whales, sharks, and sea turtles. Each statue is intricately detailed, capturing the essence of the animal's natural habitat. The Coastal Zoological Figurine collection is perfect for those who want to learn more about sea animals or simply appreciate their beauty.

Applications:

These figurines are ideal for a range of product application occasions and scenarios. For young children, they make a great educational tool to learn about different sea animals and their unique characteristics. The recommended age for these figurines is 3 years and up, making them a suitable option for preschools, daycare centers, and early education classrooms.

These marine fauna figure replicas can also be used for decorative purposes in homes or offices with a coastal or beach theme. They can be displayed on shelves, desks, or even used as cake toppers for ocean-themed parties. Additionally, they can be used as props in theatrical productions, photo shoots, and film sets where a realistic representation of sea animals is required.

As a manufacturer, XYZ Company takes pride in producing high-quality and detailed figurines that accurately portray different marine fauna. These figurines are made in China and are designed to withstand rough play and handling by young children.

Overall, the Sea Animal Figure product from custom is a versatile and fun addition to any collection of marine animal figurines. Whether for educational purposes, decorative displays, or theatrical productions, these figurines are sure to impress with their realistic design and attention to detail.
