## Product Description

### Product Description:

Each dinosaur in this Jurassic Age Figure Toy set is made from high-quality plastic and has been crafted with intricate detailing, so your child can enjoy an authentic and educational play experience. The set includes a T-Rex, Velociraptor, Triceratops, Stegosaurus, Brachiosaurus, and Pterodactyl, all of which are sure to capture the imagination of any young dinosaur enthusiast. Manufactured by Schleich, a leader in the toy industry, this Dinosaur Figure Set is built to last and is sure to provide hours of entertainment for your child. Whether they're playing alone or with friends, this set is the perfect addition to any playroom or toy collection.

### Applications:

The Mesozoic Fauna Figurine Pack includes a variety of dinosaur models, each one intricately detailed and painted in vibrant colors to bring these prehistoric creatures to life. The set is made of high-quality plastic, ensuring that each figure is durable and long-lasting. These realistic dinosaur models are great for educational purposes, as they can be used to teach children about the different species of dinosaurs and their unique characteristics. Additionally, they can be used as props for school projects or as decorations for themed parties and events.

The Dinosaur Figure Set is also a great gift for any child who loves dinosaurs. It is a fun and engaging way to encourage imaginative play and spark an interest in science and history.

As safety is a top priority, the figures are made with non-toxic, BPA-free, and lead-free materials, ensuring that they are safe for children to play with. The lightweight design also makes them easy to carry around and play with on-the-go.

Overall, the Dinosaur Figure Set by custom is an excellent addition to any collection of dinosaur toys or educational materials. With its high-quality design and intricate detailing, it is sure to provide hours of entertainment and learning for both kids and adults. Made in China by Schleich, the set weighs 0.44 pounds and is a great way to bring the Mesozoic era to life.
