Product Description

Product Description:

The Sea Animal Figures are made of high-quality plastic material, which ensures their durability and longevity. These figures have been manufactured to meet safety standards and are ASTM F963 and CPSIA compliant. These safety standards make them safe for your child to play with, and you can rest assured that your child is not at risk of any harm.

These Sea Animal Figures are perfect for both indoor and outdoor play. They can be used to create an oceanic animal sculpture in your child's room or for outdoor play in the sandpit or at the beach. These coastal zoological figurines will spark your child's imagination and provide them with hours of endless fun.

The Sea Animal Figures are 3 inches in size, making them the perfect size for your child's little hands. They are easy to grip, and your child will love playing with them. These figures are also lightweight, making them easy to carry around. Your child can take them on their adventures and have fun with them wherever they go.

Applications:

Each set includes various marine organisms such as sharks, dolphins, octopuses, turtles, and more. These toys are perfect for use in a variety of situations, from educational purposes to simple playtime. Children will love learning about the different creatures that call the ocean home, while adults will appreciate the beautiful marine organism artwork that these figurines provide.

The Maritime Fauna Ornament can be used in many different scenarios, such as in a child's playroom or as decoration in a beach-themed room. These toys are made from high-quality plastic that is both durable and non-toxic, ensuring that they will last for many years to come. The realistic details of each figure will amaze and delight, making this set a must-have for any sea creature enthusiast.

These figurines are also great for use in educational settings, such as in a classroom or marine biology lab. Students can use these toys to learn about the different characteristics of each species, and even conduct their own experiments with them. The possibilities are endless!

In conclusion, the Coastal Zoological Figurine set is a versatile and high-quality toy that is perfect for anyone who loves the ocean.

Whether you are a child or an adult, these toys will provide hours of entertainment and education. So why wait? Get your set today and start exploring the wonders of the ocean!
