Product Description

Product Description:

In a vibrant green color, these plant figures are sure to add a touch of life to your scenes. The color is also UV resistant, ensuring that they won't fade or lose their vibrancy over time, even when exposed to sunlight. Additionally, these figures are waterproof, making them ideal for outdoor displays or scenes with water features.

Our Plant Figures collection includes a variety of diorama plants, diorama trees, and bushes. Each figure is crafted with intricate detail, ensuring that they look just like their real-life counterparts. Whether you're looking to add some greenery to your miniature garden or create a realistic forest scene, our Plant Figures collection has got you covered.

Not only are these plant figures visually appealing, but they're also durable and long-lasting. Made from high-quality materials, they can withstand wear and tear and won't easily break or bend. Plus, their low maintenance nature means that you won't have to spend hours tending to them.

Overall, our Plant Figures collection is a must-have for any diorama enthusiast or miniature gardener. With their easy-to-clean nature, vibrant green color, low maintenance requirements, waterproofing, and UV resistance, these miniature trees and bushes are the perfect addition to any scene.

Applications:

Customization:
